APPENDIX 'C'

GRIEVANCE REDRESSAL MECHANISM FOR FACULTY, STAFF AND STUDENTS

The college follows an open and free communication policy for faculty and staff members. All personnel are free to convey their grievances verbally or in writing through their respective HoDs / Section Incharges. All personnel are also free to report the grievances directly to the Director. The college maintains complete confidentiality for such grievances. Depending on the nature of the grievance, the matter is investigated for establishment of facts and actions accordingly. In case the grievance is considered to be of a serious / general nature affecting a group of personnel, the matter is put up in the Governing Council for consideration. The Governing Council also regularly invites all HoDs and senior faculty for interaction and certain grievances / suggestions can also be taken up in this forum.

As regards the students, each class has a Student Counselor who can be approached for any problem and grievance. In addition to the faculty, HoDs and Director being readily approachable to all students, suggestion / complaint boxes are provided in the college and all hostels for students to convey their grievances / suggestions. The Director also conducts regular meetings with students whereby approximately 10 students from a specific group are invited for tea and informal discussions. These forums have proved very useful in obtaining genuine student feedback and grievances.
